The State of New Hampshire
Town Warrant

To the inhabitants of the Town of Troy, in the County of Cheshire in said State, qualified to vote in town affairs, you are hereby notified to meet at Troy Elementary School, the 13th day of March, next at 10:00 AM in the forenoon for balloting upon matters specified in Articles 1 and 2, listed below, and you are hereby further notified to meet at the Troy Elementary School on Wednesday, the 14th day of March at 7:30 PM to act upon the remainder of the listed warrant.

ARTICLE 1. To bring in your vote for one Selectman for three years and other Town Officers elected by ballot as passed by Town Meeting or State Statute for the specified number of years.

ARTICLE 2. Are you in favor of the adoption of **Amendment No. 1** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To add a new regulation governing adult-oriented businesses that would:

- limit such businesses to sale of books, videos and other printed or visual matter;
- restrict their location to the Highway Business District (Route 12);
- impose standards for setbacks, buffering, parking, access, etc.;
- limit the amount of sexually-oriented materials to no more than 40% of the total stock.

Are you in favor of the adoption of **Amendment No. 2** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To amend Article XIX by adding the following sentence to the definition of Commercial Amusement Establishments: ***"These establishments do not include any that are of a sexually-oriented nature."***

Are you in favor of the adoption of **Amendment No. 3** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To add a definition of the term "sexually-oriented" to Article XIX of the Zoning Ordinance, as follows:

"Sexually-Oriented": For the purpose of this ordinance, means a business engaged in display, sale or rental of materials that depict or describe human masturbation, sexual intercourse, actual or simulated, normal or perverted, or any touching of the genitals, pubic areas or buttocks of the human male or female, or the breasts of the female, whether alone or between members of same or opposite sex or between humans and animals, any depiction or representation of excretory functions, any lewd exhibitions of the genitals, flagellation or torture in the context of a sexual relationship. Sexual intercourse is simulated when it depicts sexual intercourse which gives the appearance of the consummation of sexual intercourse, normal or perverted.

Are you in favor of the adoption of **Amendment No. 4** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:
To amend Article XIII, Paragraph F. - Special Exceptions, by adding a new subparagraph #1 as follows, and renumbering the remaining eight items accordingly:

"When the application is for more than one principal use on a lot, per Article III, H., that the proposed use or uses shall be designated as permitted or by special exception in the district, in addition to any requirements for such use contained in Paragraph G of this article that apply."

Are you in favor of the adoption of **Amendment No. 5** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To amend Article XIV by deleting the exemption from a building permit structures that are less than 200 square feet in size and that serve as accessory uses to a residence?

Are you in favor of the adoption of **Amendment No. 6** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To adopt an ordinance that regulates the placement, location, height and aesthetic impact of telecommunications facilities in Troy?

Are you in favor of the adoption of **Amendment No. 7** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To amend the provisions for bed & breakfast establishments, permitting them in all districts by special exception subject to certain conditions?

Are you in favor of the adoption of **Amendment No. 8** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To move the enabling language for Home Occupations from each district description to General Provisions, new Paragraph R?

Are you in favor of the adoption of **Amendment No. 9** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To add a new paragraph to Article XIII-Board of Adjustment, that addresses the procedure and conditions under which the Board is required to grant a waiver from dimensional violations of the zoning ordinance (RSA 674:33-a)?

ARTICLE 3. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the following expenditures:

	Recommended By Budget Committee	Recommended By Selectmen
Selectmen's Office	123,150	75,846

	919,654	**931,337**

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of Eighty-Two Thousand Dollars (**$82,000**) to purchase the Sand Dam Recreation Area (Tax Map 17, Lot 13), consisting of 17 acres (more or less), plus improvements, from Troy Mills, Inc. (TMI), and further authorize the Selectmen to carry out said purchase by deducting $82,000 from the current balance on an outstanding $279,754.11 Promissory Note owing from TMI to the Town. Recommended by the Selectmen and the Budget Committee.

ARTICLE 5. To see if the Town will vote to raise and appropriate the funds listed below to be placed in Capital Reserve Funds:

	Recommended By	
	Budget Committee	**Selectmen**
Police Department	10,000	10,000
Fire Department	25,000	25,000
Highway Department	10,000	10,000
Reassessment	5,000	5,000
	50,000	**50,000**

ARTICLE 6. To see if the Town will vote to raise and appropriate the funds listed below to be placed in Expendable Trust Funds:

	Recommended By	
	Budget Committee	**Selectmen**
General Government Buildings	20,000	20,000
Samuel E. Paul War Memorial	5,000	5,000
	25,000	**25,000**

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of Six Thousand Seven Hundred Dollars (**$6,700**) for the purpose of transporting and disposing of two mobile homes acquired as the result of a tax lien dated 27 November 2000 on land and properties at 4,6,8,& 10 Brook Street, Map 18 Lots 54,2,3,4; and a mobile home frame located in Woodland Park, also acquired as the

result of a tax lien. Recommended by the Selectmen and the Budget Committee.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (**$100,000**) to purchase a new ambulance with $20,000 to come from the Ambulance Capital Reserve Funds, $20,000 to come from donations, and the balance of $60,000 to be raised by taxation. Recommended by the Selectmen and the Budget Committee.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (**$20,000**) to be placed in the Ambulance Capital Reserve should Article 7 fail. Recommended by the Selectmen and the Budget Committee.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (**$15,000**) for a new furnace for Kimball Hall and to replace the existing underground oil tank with an above ground tank and authorize the withdrawal from the General Government Buildings Expendable Trust Fund created for that purpose. Recommended by the Selectmen and the Budget Committee.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Dollars (**$16,000**) for asbestos abatement in the Town Hall cellar and authorize the withdrawal from the General Government Buildings Expendable Trust Fund created for that purpose. Recommended by the Selectmen and the Budget Committee.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Two Thousand Three Hundred Dollars (**$2,300**) for an architectural engineering study of the Town Hall and authorize the withdrawal from the General Government Buildings Expendable Trust Fund created for that purpose. Recommended by the Selectmen and the Budget Committee.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (**$5,000**) to paint/stain municipal buildings. Recommended by the Selectmen and the Budget Committee.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (**$2,500**) for computer software upgrade to a windows program. Recommended by the Selectmen and the Budget Committee.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Five Hundred Dollars (**$17,500**) for the care of the cemeteries and authorize the withdrawal of Sixteen Thousand Five Hundred Dollars (**$16,500**) from the Cemetery Trust Funds established for that purpose. The balance of One Thousand Dollars (**$1,000**) to be raised by taxation. Recommended by the Selectmen and the Budget Committee.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Seven Hundred Forty Dollars (**$8,740**) for the town's share for the Regional Prosecutor. Recommended by the Selectmen and the Budget Committee.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (**$10,000**) to purchase an extrication tool system for the Fire Department. Recommended by the Selectmen and the Budget Committee.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Eighty-Three Dollars (**$1,483**) to be placed in the Fire Department Capital Reserve Fund. This sum to come from fund balance (surplus), the amount received from the sale of the 1946 Seagraves and equipment, and no amount to be raised from taxation. Recommended by the Selectmen and the Budget Committee.

ARTICLE 19. To see if the Town will vote to raise and appropriate up to Nine Thousand Dollars (**$9,000**) for repair and refurbishing of the 1991 International Dump Truck purchased by the Highway Department and authorize the withdrawal from the Highway Department Capital Reserve Fund created for that purpose. Recommended by the Selectmen and the Budget Committee.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (**$15,000**) for sand sealing new pavement on town roads. Recommended by the Selectmen and the Budget Committee.

ARTICLE 21. To see if the Town will authorize the Selectmen to expend the Highway Block Grant of Forty-Three Thousand Forty-Six Dollars (**$43,046**) that the Town will receive from the State of New Hampshire during calendar year 2001 for the maintenance, construction, and reconstruction of Class IV and V Highways. Recommended by the Selectmen and the Budget Committee.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Three Hundred Dollars (**$12,300**) for the 1% interest payment due on the Landfill Bond. Recommended by the Selectmen and the Budget Committee.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Three Hundred Fifty Dollars (**$16,350**) for the 5% contingency needed for the Landfill SRF Loan. This sum is to come from the fund balance (surplus). Recommended by the Selectmen and the Budget Committee.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of Ninety Thousand Seven Hundred Seventy-Eight Dollars (**$90,778**) for the first payment of the Landfill Bond. Income from the State of New Hampshire will be $10,000 with the balance coming

from taxation. Recommended by the Selectmen and the Budget Committee.

ARTICLE 25. To see if the Town will vote to raise and appropriate up to Ten Thousand Dollars (**$10,000**) to purchase a baler for the Transfer Station/Recycling Center and authorize the withdrawal from the Landfill/Recycling Expendable Trust Fund created for that purpose. Recommended by the Selectmen and the Budget Committee.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of Two Hundred Forty-Eight Thousand Five Hundred Seventy Dollars (**$248,570**) for the Water/Sewer Department operations. Income comes from collections of water and sewer rents. Recommended by the Selectmen and the Budget Committee. Water/Sewer Commissioners recommend $268,231.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of Seventy-One Thousand One Hundred Ninety-Nine Dollars (**$71,199**) for the payment of Sewer Bonds. Income from the State of New Hampshire will be $18,639 with the balance coming from taxation. Recommended by the Selectmen and the Budget Committee.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (**$20,000**) for a steel roof and an overhead garage door for the Wastewater Treatment Plant and authorize the withdrawal from the Sewer Department Savings Account established under Article 28 of the March 1988 Town Warrant. No amount to be raised by taxation. Recommended by the Selectmen, Water/Sewer Commissioners and the Budget Committee.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (**$50,000**) for the Olsen Road Project and authorize the withdrawal from the Water Department

Savings Account established under Article 28 of the March 1988 Town Warrant. No amount to be raised by taxation. Recommended by the Selectmen, Water/Sewer Commissioners and the Budget Committee.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars **($25,000)** for the Olsen Road Project and to authorize the issuance of not more than $25,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The annual payment will be from user fees. No amount to be raised by taxation. Recommended by the Selectmen, Water/Sewer Commissioners and the Budget Committee. **(2/3 Ballot Vote Required)**

ARTICLE 31. To see if the Town will vote to establish an Expendable Trust Fund pursuant to RSA Chapter 31:19-a for the Water Department for the purpose of maintenance and operation purposes of the water facilities including buildings, equipment and water lines and to raise and appropriate up to the sum of Six Thousand Six Hundred Dollars **($6,600)** from Water Department Savings Account established under Article 28 of the March 1988 Town Warrant. No amount to be raised from taxation. This will close out the Water Deparatment Savings Account established in 1988. Furthermore, to appoint the Selectmen as agents to expend from this fund. This fund to be entirely funded by user fees. Recommended by the Selectmen and the Budget Committee.

ARTICLE 32. To see if the Town will vote to establish an Expendable Trust Fund pursuant to RSA Chapter 31:19-a for the Sewer Department for the purpose of maintenance and operation purposes of the sewer facilities including buildings, equipment and sewer lines and raise and appropriate up to the sum of Five Hundred Thirty Thousand Dollars **($530,000)** from the Sewer Department Savings Account established under Article 28 of the March 1988

Town Warrant. No amount to be raised from taxation. This will close out the Sewer Department Savings Account established in 1988. Furthermore, to appoint the Selectmen as agents to expend from this fund. This fund to be entirely funded by user fees. Recommended by the Selectmen and the Budget Committee.

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of Three Thousand Eight Hundred Dollars (**$3,800**) for fencing at the Marlborough Road softball field. Recommended by the Selectmen and the Budget Committee.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (**$5,000**) to resurface the Kristin C. Davis-Hoffman Memorial Skate Park. Recommended by the Selectmen. Not recommended by the Budget Committee.

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of Twenty-Eight Thousand Ninety-Seven Dollars (**$28,097**) for the third payment of the $200,000 Note for the Library Addition/Renovation Project. Recommended by the Selectmen and the Budget Committee.

ARTICLE 36. To see if the Town will vote to raise and appropriate the funds listed to be donated to each organization as specified:

	Recommended By	
	Budget Committee	**Selectmen**
Helping Hand Center	2,000	2,000
Meadowood Fire Department	1,500	1,500
Senior Citizens	1,000	1,000
Southwestern Community Services	2,997	2,997
The Community Kitchen	2,000	2,000
Troy-Fitzwilliam Youth Sports Assoc	1,000	1,000
Troy Historical Society	2,250	2,250
	12,747	**12,747**

ARTICLE 37. "Shall we adopt the provisions of RSA 72:1-c which authorizes any town or city to elect not to assess, levy and collect a resident tax?" Not Recommended by the Selectmen or the Budget Committee. (By Petition)

ARTICLE 38. To see if the Town will vote that in any future Town of Troy re-assessments of property that how property will be assessed be presented at a hearing and that the computations be approved by either a vote at the annual town meeting or by a special town meeting. Not Recommended by the Selectmen. (By Petition)

ARTICLE 39. To see if the Town will vote to rescind the formula used in assessing the value of a landowners property based on a view of Mount Monadnock or any other view and the view of Mount Monadnock or any other view not be taken into consideration for any future assessments of property. Not Recommended by the Selectmen. (By Petition)

ARTICLE 40. To see if the Town will vote to authorize the Selectmen to enter into agreement with Southwest Region Planning Commission and other state agencies, when money becomes available for feasibility studies, grants, and agreements in the best interest of the Town.

ARTICLE 41. To see if the Town will vote to authorize the Selectmen to hear reports of committees, agents, or officers heretofore chosen and take any action relative.

GIVEN UNDER our hands this 20th day of February in the Year of Our Lord, Two Thousand One.

To the Board of Selectmen
Town of Troy, New Hampshire

We have audited the general purpose financial statements of the Town of Troy, New Hampshire as of and for the year ended December 31, 2000, and have issued our report thereon dated January 30, 2001.

We conducted our audit in accordance with generally accepted standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Town of Troy, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general purpose financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Town of Troy, New Hampshire for the year ended December 31, 2000, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been place in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not

VACHON, CLUKAY & CO., PC
Certified Public Accountants

To provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level of the risk that errors and irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the control structure and its operation that we consider to be material weaknesses as defined above.

However, we noted certain matters involving the internal control structure and its operation that we have reported to the management of the Town of Troy, New Hampshire in a separate letter dated January 30, 2001.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

BUDGET COMMITTEE

The Budget Committee has worked with the Troy Budget all year long. We meet to check expenditures through the year. Starting in November, we meet with the Selectmen and Department Heads. We review their wants, needs and wish list. We interviewed and reviewed every Department Head and their budget, and we feel that we have come up with a workable budget, fair to the Department Heads and fair to the taxpayer. We presented this budget on February 8, 2001 to the taxpayers at the Budget Public Hearing.

The three extraordinary articles on the warrant were the purchase of the Troy War Memorial (Sand Dam) and establishing the Expendable Trust Fund for the Water and Sewer Department. This put the Water and Sewer Department in line with the other Troy Departments.

Frank J. Obuchowski
Chairman

CEMETERY COMMISSION

Due to all the rain we had last summer, most of our time was spent mowing and trimming, as the grass grew so fast.

We also painted the Gazebo, and had the roof reshingled. We purchased a new pick-up truck for the Cemetery Department.

The Cemetery Commissioners will be holding a public meeting sometime in March to discuss cemetery rules and regulations.

TROY CONSERVATION COMMISSION

This past year has been a very busy and active year for the Troy Conservation Commission. It is our sincere desire to continue to expand our work in this coming year for the residents of Troy.

During the year 2000, the Troy Conservation Commission sponsored two (2) town cleanup days, one in May and the second this past October. Both were most successful and we would like to thank all of the volunteers and local businesses that contributed to the effort. Additionally, last April we hosted an evening seminar that featured Franklin Pierce College professor, John Harris, who shared his work on the Monadnock Institute. His presentation included written work of a Troy student at Franklin Pierce College describing Troy as it defined her sense of place in the Monadnock Region. A copy of her paper was given to the Troy Historical Society.

The Troy Conservation Commission also sponsored a discussion, followed by questions, regarding the proposed Route 12 by-pass with NH DOT representative in late May. We are continuing the conservation with a proposal to NH DOT regarding a "Thoreau Trail" beginning here in Troy and leading to Mount Monadnock. Keep an eye on future Troy Town News for updates!

As part of the "Monadnock Millennium", we planted trees and shrubs at our Town Library, and with the help of Troy Elementary School students, planted additional "wildlife shrubs" at the school to begin a wildlife garden. In addition, we assisted the 6th grade students at Camp Takodah to initiate a global biodiversity research project.

Finally, we have been keeping current with town issues regarding growth and development. Members of our commission have assisted with wetland analysis requests and reviewing site plans for possible development.

This coming year we hope to increase our support to the various Troy Town Committees and Troy Elementary School conservation projects. As always, you are most welcome to attend our monthly meetings(usually held the last Tuesday of each month at 4:30 in the Town Library), check The Troy Town News calendar.

Sincerely,
Daniel J. Bisaccio, Chairman

TROY CRAFTS FESTIVAL COMMITTEE

Our 24th annual Troy Crafts Festival was held July 28th and 29th on the Troy Town Common. Friday evening the Westmoreland Town Band favored us with their first New Hampshire concert after their triumphant Washington, DC tour. Festival goers enjoyed their stirring band music as well as the Gap Mountain Lion's famous chicken barbecue and Immaculate Conception's tasty ice cream sundaes.

Saturday over fifty vendors and crafters provided festival goers with happy browsing from 9am until 3pm, as they listened to three different bands providing live music throughout the day. The Troy Firemen and then the Boy Scouts once again manned the Chuck Wagon to provide delicious eating. The children were not forgotten as once again Cecile B. DeClown returned with his balloon creations, seconded in the afternoon by Patrick Nearing with his balloon animals and hats. Another popular corner was provided by Mondanock Berries who brought two of their "petting farm animals", a pair of charming goats, to spend the day on the common with us. Even the weather cooperated, the rain which threatened all day held off, with the first drips not falling until after 2pm.

The Committee wishes to thank you not only the five faithful committee members, the three CO-chairs, plus Linzi Lorent and Lynn Wilcox, but Gay-Kimball Library for supplying meeting room space, use of computers and Xerox machine, the Selectmen's office for coping, cooperation in securing assistance from Town facilities, tents, snow fences, trash removal, etc., and all those who participated and provided food, entertainment, and exhibits to make the day so enjoyable.

Changes are in store for your craft festival. If the festival is to continue as a two day affair, new Chairpersons need to step forward. The current three CO-chairs are stepping down from the committee. We do have personnel who have agreed to oversee the Friday evening Band and Barbecue for July, 2001, but the Saturday Vendors and Crafters Day will only occur if volunteers step forward to chair the event. If you are willing to help our community this way, please contact Cindy Satas at the Selectmen's office in the Troy Town Hall.

Sincerely,
CO-Chairs for Troy Craft Festival 2000
Lorna R. Dingledy, Darcy Doyle, Judy Mentzer

FIRE DEPARTMENT

One home was lost to fire during the year 2000 here in Troy. The fire started late at night on one of the coldest January days we had, 20 below zero. Six communities sent help to the fire. Our personnel and equipment were tested and both performed well. We could not save the home, but some personal belongings were saved and no lives were lost.

An article to purchase a rescue tool has been placed in the town warrant. We need this tool to help extract injured and trapped people from car accidents. Having the tool ready for use in our rescue truck will save time and lives. It is our hope you will support this article.

As in the past training remains an important part of the department's activities.

My thanks to all the members of the department for their efforts to control and suppress fires here in Troy.

John C. Callahan, Jr.
Troy Fire Chief

Gay-Kimball Library
2000 Librarian's Report

The library's first full year in the renovated and expanded building saw substantial increases in patron visits, materials circulation, event programming, registered borrowers, and use of the meeting room and computers. Building improvements continued, including better lighting in the children's room, a copper drip deflector over the book return, and new outdoor signage.

About 80 children participated in the summer reading program, *Reading Cats and Dogs*, which culminated with a performance by musicians Julie & Brownie. Saturday story and craft sessions attracted scores of children and their parents. The library teamed with the elementary school to sponsor the Great Stone Face Book Award, as well as story and craft with children in Head Start. October's Halloween Costume Party and December's Holiday Party drew large crowds. The inaugural Family Game Night became a monthly mainstay.

The library was proud to highlight local talent. In the spring, Sidne Lewis conducted an egg-decorating workshop and Lynn Smith exhibited her scenic photographs. In the summer, Mike Smith showed *Monadnock Impressions,* a photographic collection. Students from the elementary school exhibited sunflower collages and Native American projects.

In July, Darcy Doyle retired as library director after a dozen years of service. In her honor, a retirement party was held and a trust fund established to benefit special library projects. With her guidance, the library underwent major improvements, including automated circulation, patron computers with Internet access, and the building renovation and addition completed in May of 1999. Thank you, Darcy, for your dedication and leadership.

The library owes much of its success to the dozens of volunteers who support its smooth functioning. Kathleen Marrotte, organizer of two book sales, spearheaded fundraising efforts. John Gove donated his time and maintained our computer technology. Judy Mentzer, Lynn Smith, and Bernadette Quinn were faithful evening volunteers. And the library trustees -- Marilou Bisaccio, Gus McLeavy, and Bernadette Quinn -- governed the library's operations, balancing a sense of duty with a sense of humor. Thanks to everyone who has helped in any and all ways.

Beginning January of 2001, the library increased open hours to cover five days per week. The trustees and staff of Gay-Kimball Library extend a warm welcome to all residents.

TROY HERITAGE COMMISSION

The year 2000 has been a busy year for the Heritage Commission.

Beginning in January we offered 3 well publicized information events to provide facts about the proposed National Register Historic District. The January event was held at Gay-Kimball Library and featured Christine Fonda, NH National Register Coordinator. A table at the Troy Craft Fair in July provided a "bag of information" for approximately 100 people. A September meeting hold at Gay-Kimball Library featured the expertise of Christine Fonda, NH National Register Coordinator; Jennifer Goodman, Director of Inherit NH; John Colony III, Harrisville Historic Preservation Leader; and Pia and Richard Lawrence, Troy National Register property owners. Concurrently we are running fund drives to pay for expenses incurred in this project.

This year we presented 22 copies of "Troy the way it was" to Troy Elementary School for use as a local history text.

Our lecture series was moved to March, April, and May. They are held at Gay-Kimball Library and were very well attended. The speakers were supported by 3 separate grants from the NH Humanities Council. The March speaker was Jere Daniell, Dartmouth History Professor. His topic was "The Mills of Troy." In April David Watters spoke about "New England Graveyards". Winifred Sullivan presented the May program on "Sarah Orne Jewett's book, "The Country of the Pointed Firs."

December found a large group of the Carol Sing in the nearly new bandstand. We recreated a custom dating to the Civil War accompanied by a youthful brass quartet and a warm fire. At the same time the PTO presented their Bridge of Joy to the delight of Troy's children.

I wish to thank the Heritage Commission members for their support during the year and the Historic District Task Force (Marcia Press, Iver Olsen, Victoria Hawkins, and Richard Lawrence) for time and effort spent in behalf of the Historic District.

Marion Austin
Chairwoman

HIGHWAY DEPARTMENT

The year 2000 was a Wild and Crazy year weather wise. We had 45 degree temps in mid July and 60 degree temps a week before Christmas. With very heavy rains and high winds, it showed with all the washouts. We had a real busy year this year. We had the West Hill project. Tolman Road and a couple blasting projects, plus all of our regular maintenance and duties of the highway dept. We had a major gas spill at the highway barn when the storage tank let go, so new tanks had to be set up.

In 2001 the block grant is going to be used to overlay the upper part of South Street, and to base in and overlay Fern Hill. We are also asking for a special warrant article to sand seal four miles of town road.

I would like to thank my assistant Gary LeBlanc for another year of dedicated service, along with Rod Page, Ray Dicey and Peter Mattson for coming on board as needed. And to all Department Heads for all their help all year long.

I would like to thank all the town's people for all their support all year long.

James E. Dicey
Highway Agent

TROY HISTORICAL SOCIETY

Track lighting is partially installed in the second floor museum and materials are on hand for badly needed wall outlets. At present (4) outlets serve the 49 x 29 foot space.

Interior paint has been purchased and the walls have been cleaned in preparation for the painting. Time is the elusive factor, the important element needed for volunteers to do the essential work of maintaining records and creating displays.

A goal of 2001 **must** be to recruit a volunteer force of workers who will donate a few hours each week or month. Budget requests for the year 2001 will include some expenditure of funds for the technical help to get workers started.

The membership feels that a proper start will lead to progress. Progress will mean an attractive museum, well lighted and with a growing file of artifacts and records. Your historic museum should be an ever changing showplace with regular viewing hours. Video, audio, computer, and upright files should be ever expanding and available to all.

Grant money for restoring the Depot is close to being spendable and work at restoring the Depot might commence as early as spring. While grant funds may be headed one's way, cash in hand is a drawn-out process. A restored train depot would make a fine welcome center and mini museum. Citizens need reminding that the original depot pot bellied stove has been located and negotiations are underway to have it one again glowing in its rightful place.

Robert Hall &
Kathleen Marrotte
President

HOME HEATHCARE, HOSPICE & COMMUNITY SERVICES

P.O. Box 564, 69L Island Street, Keene, NH 03431

In 2000, HCS – Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Troy. The following information represents a projection of HCS's activities in your community in 2000. The projection is based on actual services provided from January to September 2000 and an estimate of usage during October, November, and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED
Nursing	669 Visits
Physical Therapy	195 Visits
Speech Pathology	29 Visits
Occupational Therapy	68 Visits
Medical Social Worker	75 Visits
Outreach	35 Visits
Homemaker	668 Hours
Adult In-Home Care	1,620 Hours
Home Health Aide	475 Visits
Home & Community Based Services*	988 Hours
Nutritionist	0 Visits
Meals-On-Wheels	2,644 Meals
Child Health	4 Children
Health Promotion Clinics	23 Clinics

*Home and Community Based Care is a Medicaid Program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost. Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports those services.

Susan Ashworth
Director of Community Relations

INDUSTRIAL DEVELOPMENT AUTHORITY

The Industrial Development Authority (IDA) has continued to maintain and refresh the computer web page about Troy at htt://town.troy.nh.us. Our web page now presents the text of articles from the TROY TOWN NEWS each month as well as information about Troy businesses, local attractions, history and demographics. Submission of material to be included in the web site is always welcome.

The Town has received approval of reimbursement under the State of New Hampshire Transportation Enhancement (TE) program for costs of restoring the Cheshire Railroad Depot in Troy. Because of the unique historical status of the Depot the TE program requires careful architectural and engineering planning to be approved at the state level before rehabilitation can be undertaken. It is expected that this approval can be gained in 2001 so that contracts for the restoration work can be undertaken with completion late in that year or early in 2002. The project will make a significant contribution to improving the Common and Depot areas as centers for tourism and service to visitors.

The IDA urges Troy residents to be mindful of the many businesses offering goods and services in the Town. We have at least 60 firms providing "around the corner" convenience and quality.

Ralph L. Wentworth
Chairman

TRANSFER/RECYCLING CENTER

The cost of waste continues to climb and without competition there doesn't seem to be any end to it.

Recycling is one way to control how much waste we ship out. At $100 per ton to remove, it is very expensive, so the more we remove from the waste the less we pay in waste cost.

The clear-pay-per-bag system was voted in to help remove more recyclables from the waste and to help offset the cost of removing it. It is still too early to see how much we have offset waste going out. I believe this is working as it seems that there's more recyclables coming through the windows, but this is a bad time of year to really see, as a lot of people burn their paper, chipboard, etc., in their stoves during the cold months.

Let's keep up the good job of recycling. Thanks for your help and cooperation and also at this time I would like to thank my staff for their help and patience. Thank you.

Roderick Page
Superintendent

MONDNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission is charged by the State of New Hampshire under *Revised Statutes Annotated (RSA) 258:1* to advise and guide the Department of Resources and Economic Development in the management of their lands and the leased lands of the Society for the Protection of New Hampshire Forests and the Town of Jaffrey. The properties are located on Mt. Monadnock, Gap Mountain, and Little Monadnock Mountain.

The main focus of the Commission this year is to create a new Master Plan in order to ensure that Monadnock Mountain maintains its vitality for the critters who use it as a source of life, challenges those people who use it as a source of recreation, and maintains its integrity while being the most heavily used park in the state. It continues to be a source of inspiration and great memories for the 130,000 individuals who visited this year.

To that end, a steering committee has been meeting monthly to hash out a myriad of concerns and to come to a consensus on a plan that will assure a healthy Monadnock Mountain. As an example, the ability to connect to other large parcels via "greenbelts" is essential in order to maintain a large and healthy population of wildlife. We hope the Master Plan will become a great advocate for these links.

The public is encouraged to contact Commission members with suggestions and comments.

Respectfully submitted,
Bill Elliott

MEMBERS OF THE MONADNOCK ADVISORY COMMISSION:

Jaffrey	Ann Royce and Bill Elliott
Dublin	Tom Wright
Marlborough	Ernie Linders
Troy	David Adams
Fitzwilliam	Daniel Leary and Thomas Parker

MONADNOCK FAMILY SERVICES

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work, and are pleased to give you the enclosed census report which outlines services provided to residents in you town during 1999-2000. Over the past year, Monadnock Family Services provided services to over 3,800 adults, children and older adults, of which 109 residents of Troy.

Once again, Monadnock Family Services is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 1999 population estimates from the NH Office of State Planning, we are asking for the equivalent of $1 per capita, which for the Town of Troy, amounts to $2,140.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Troy will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

In addition to the census report, I have enclosed materials describing the services we provide. If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow. Thanks for your consideration.

Sincerely,

Ken Jue,
Chief Executive Officer

PLANNING BOARD

The Planning Board had a very busy year with Subdivision Applications, Site Plans, and the creation of an "Adult Oriented Ordinance and a Telecommunication Ordinance. The board heard the following:

(12) Preliminary Consultations
(3) Subdivision Applications, (3) Public Hearings (2) Approvals
(3) Site Plan Applications (3) Public Hearings (2) Approvals
(18) Voluntary Mergers
(2) Public Hearings for Zoning Changes, and Ordinances

Two new members came on board, Glenn Shattler as a permanent and Richard Lawrence as an alternate. We lost Evan John, Co-Chairman, this past year, and wish to thank him for all that he contributed, time, expertise, and dedication to this board.

A special thanks to Carol Ogilvie, SWRPC, advisor to our board for her expertise, clerical, and moral support.

The Planning Board meets the first and third Wednesday of each month at 7:00pm in the town hall. The board is looking for new members with fresh ideas in the future planning of the Town of Troy. Anyone wishing to donate his or her time (2) meetings a month will be welcome.

Respectfully,
Janet McCullough
Co-chairman

Troy Police Department

The year 2000 was a very positive year for the Troy Police Department. This was my first full year as your Police Chief and it brought many demands and rewards.

The Troy Police Department, at full strength, is comprised of three full-time Police Officers (including myself), four part-time Police Officers, a part-time Secretary, and a part-time Animal Control Officer. In February, we hired three part-time officers to fill vacancies. Since then, one has resigned. In December, we began the hiring process to fill the vacant part-time position. The part-time academy begins 2/24/01.

I regard training as a very important component of quality policing. Our officers need to be provided with the opportunity to attend the latest training programs available so they can better serve our community, improve professionalism and protect the Town of Troy from liability issues. This past year we initiated our goal of providing these training opportunities. We will continue to provide training opportunities every year. Among the training programs our personnel attended this year were, Stalking Investigations, Policing with a Personal Touch, DWI Investigation, Leadership and Quality Policing, the FBI Law Enforcement Executive Development Program, Firearms, Defensive Tactics and more.

In March of 2000, we integrated a new Information Management System into our operations. This state-of-the-art computer program is user friendly. Among its benefits are: it allows our officers to complete required paperwork in a timely manner, allows for easy access to the information and improves the professional reports we bring to court. Over 100 police agencies throughout New Hampshire are now using this system. One of the goals of this system is to provide police agencies the ability to access up-to-date information from all sources. In police work, information is a key element. It can be referred to as, what gasoline is to an automobile.

During the summer of 2000, The Troy Police Department became the first police department in the state to successfully investigate and prosecute a "head shop". We had received numerous concerns from residents about a shop on North Main Street that was selling drug paraphernalia and that teenagers were frequenting the business. After a successful undercover investigation, a search warrant was executed and drug paraphernalia and marijuana was seized. The owner was convicted and the shop closed. As part of the conviction and penalties imposed, the owner had to make a $1,500 donation to the Town of Troy DARE Program.

The Fall of 2000 saw the Town of Troy partner with the Towns of Swanzey, Chesterfield, Walpole and Sullivan in hiring a Regional Prosecutor to assist in handling the ever increasing case load of adult and juvenile criminal cases. Attorney John Vorder Bruegge was hired after a lengthy selection process and his professional experience and training will be a valuable tool to us. It will help in reducing the amount of time our police officers have to travel to Keene to handle court cases. This will help increase the amount of time our officers will be available to patrol the Town of Troy.

During 2000, the Troy Police Department started working with a group of youth and adult community members to finish the Skate Park. With their assistance, the park now has concrete ramps added to the existing wooden ones constructed several years ago. The wooden ones had been in disrepair and they have since been refurbished. The project continues to require money and community participation to assist in our efforts. Through various fundraisers, local contributions, and a Cheshire County Youth Profile Grant, we have been able to raise over $9,000 towards the completion of the Skate Park. More is needed. I believe our youth is one of Troy's greatest resources and we need to continually recognize this.

I am planning to extend the time between purchases of new police cruisers. Faced with the increasing costs of new vehicles, I think proper maintenance and care should allow us to keep our vehicles 6 months to one year longer than usual. Currently, our 1997 Crown Vic has 68,000 miles and the 1999 Expedition has 30,000 miles. Emergency vehicles need to be kept in top condition

to be able to meet the demands of emergency service. I would also like to investigate the possibility of the Police Department, or Town, purchasing an "Administrative" car. This vehicle would be a fuel-efficient vehicle that would be used to handle official duties out of town. We often have to go to Concord, Keene, and a host of other locations on a regular basis. We take the marked patrol car, which is not the most fuel-efficient. That also adds to the mileage and wear and tear on these vehicles. An available "Administrative" car would certainly increase the life span of our fleet and cut down on our fuel costs. I would also like the Town's opinion on a police motorcycle. I have found a program that allows Police Departments to lease new Harley Davidson motorcycles for approximately $700 year. A new motorcycle is delivered to replace the existing one each year a department participates. This could be a positive program for our town, in public relations, economy and versatility.

I am very proud to be a member of The Troy Police Department. Troy is fortunate to have caring and conscientious personnel in their Police Department. I would like to thank each and every one of our officers and support staff for their work ethic and job performance.

I encourage members of the community to get to know their police officers. Stop in to the station, ask questions, and learn what we do. I think it is important for us to have a partnership with the community we serve. I think you'll like what you see and hear. Our officers help keep Troy a safe community to reside in and to do business in. It is however, a very busy community with regards to police activities.

The following is some statistical information with regards to a sampling of the types and numbers of incidents Troy Police Department handled this past year.

STATISTICS

CALLS FOR SERVICE: 3,455

Among these calls were:

MOTOR VEHICLE STOPS:	671
MOTOR VEHICLE ACCIDENTS:	37
CRIMINAL ARRESTS:	90
SEXUAL ASSAULTS:	8
ASSAULTS:	25
DRUG INVESTIGATIONS:	8
LARCENY:	37
BURGLARY:	10
CRIMINAL MISCHIEF:	42
DOMESTIC DISTURBANCE:	35
CITIZENS REQUEST FOR ASSISTANCE:	359
ASSIST OTHER AGENCIES:	237
SUSPICIOUS ACTIVITY:	96
JUVENILE CALLS:	57
MEDICAL EMERGENCIES:	53

As Chief, I am committed to excellence and professional service. The Troy Police Department is in the customer service business. You, the citizens of Troy, are our customers. We will continue to strive, through training and hard work, to provide the Town of Troy with the type of professional policing you deserve. We look forward to another year working with the Troy Fire Department and Troy Ambulance to proved you with the best in Emergency Services.

Sincerely,
Richard V. Busick
Chief of Police

TROY POLICE DEPARTMENT

14 Central Square
Troy, NH 03465
(603) 242-7992
(603) 242-3509 Fax

ANIMAL CONTROL

During the year 2000, over 180 complaints regarding both domestic and wild animals were handled. The Town of Troy employs a part-time Animal Control Officer. When this officer is unavailable, police officers respond to these complaints. During the past year, the Animal Control Officer handled 49 calls and the police officers handled the balance.

We realize that animal complaints, especially barking and roaming dogs, are quality of life issues. We attempt to handle these calls as quickly and efficiently as possible.

Sincerely,

Richard V.C. Busick
Chief of Police

BOARD OF SELECTMEN'S REPORT

IMPORTANT REMINDER: Vote on town ordinances and especially on the school budget! Remember, the proposed school budget would raise Troy's tax bill by almost 70%!

The past year brings to mind the literary phrase "It was the best of times, it was the worst of times." Our town faced, and continues to face, some very challenging issues. At the same time we feel we have taken strides in a very positive direction in resolving some long-standing problems, and look forward optimistically to continued improvements in the coming year.

The best part of this, or any, year is the dedicated volunteers who contribute their time and energy to serve the town. There are too many to name, and it's unfair to single out individuals when everyone is important. For example, members of the Fire Department and the Troy Ambulance Service spend countless hours training and preparing to save lives, at the sacrifice of their own personal comfort and convenience. We are truly fortunate to have such people who are willing to develop and use their expertise in the service of their fellow townspeople. Our town could not function without such unselfish citizens, and we should all thank them and do whatever we can to pitch in and help by joining them ourselves.

While we are on the topic of dedicated volunteers we should mention the recent resignation of Bob Harkins as Chairman of the Board of Selectmen. Bob should be commended for many years of service to the town, and his presence in Town Hall will certainly be missed! We are very fortunate that a former Selectmen, Jerry Callahan, has agreed to fill the vacant seat until the election in March, so that we have a full Board to deal with the important issues presently facing the town.

BOARD OF SELECTMEN'S REPORT

We should also give thanks to all our town employees, who do their jobs serving the public and who all deserve more reward and appreciation for their efforts in the midst of the challenges and changes facing our town. The most dramatic changes came from the closing of the landfill and initiating our transfer station. There have been some teething problems and uncomfortable changes as we have worked our way through this process, but it is a step in the right direction for the future. It's not a dump anymore, and the pride and enthusiasm of the staff is shown by the appearance and efficiency of the new operation. Another department worthy of praise is our town highway department, for doing such a great job of plowing and sanding despite Mother Nature's worst storms. A special thanks to Chief Busick and his officers for an outstanding job this year. We should also thank our Town Hall staff, Janet McCullough, Cindy Satas, and Ralph Heald, for keeping the town offices running as smoothly as they do, and especially for keeping our financial house in order.

Speaking of finances, one of the biggest challenges facing the town is the burden placed on us by the Monadnock Regional School District, and the state's continued failure to solve the school funding crisis. Because of these issues, by far the largest portion of the town tax bill is beyond local control. We all need to work together to control educational costs, and to get the state to provide a fair and equitable method of funding such costs.

Another challenge is the situation with Troy Mills. Again, our town government cannot control this situation, we can only react to it. We are working hard on redevelopment initiatives, led by the Industrial Development Authority, and we hope everyone in town will join together to turn this challenge into a positive triumph for the entire region. One of the first specific steps that the Selectmen believe should be taken is the acquisition of the Sand Dam recreation facility, to protect the investment already made in development there. We feel the facility is irreplaceable, but if the town were to lose it we would be obligated to provide a replacement under the terms of the

BOARD OF SELECTMEN'S REPORT

Federal grants used to fund part of those facilities. This would be a needless expense that we could not afford, so it is important to avoid it by acquiring the Sand Dam property.

There have been many other problems and challenges that have confronted us this year, among them the proposed adult bookstore, the two petroleum spills on town property, and the recently completed reassessment. Our Planning Board, Conservation Committee, Fire Department, and Highway Department deserve particular recognition for their help with these situations. These have all been difficult and trying issues, but as always our town has risen to the occasion and met the challenge.

The Board of Selectmen would like to thank everyone who has contributed to our town's positive progress over the past year, and ask for your continued support and participation in the coming year.

Thank you!

Gerald D. Callahan Sr., Chairman
Maureen Osburn Lord
Lowell Bruce McCulley

SENIOR CITIZENS

To all the people that have helped us to have a place to have our meetings once a month, on behalf of the Troy Seniors I would like to say we are very grateful for a place to go. I can remember when we didn't and it was very hard for us all. Again thanks to the town for Kimball Hall.

There are many seniors in this town that don't know all of the enjoyment they have missed because they don't belong to the Seniors. I have been a member since 1982 when I stopped working. A very nice group of people.

I would also like to thank our Chief of Police for helping Bob Berry with our breakfast when we needed him. A very nice person.

This year the club has been on four trips, three times to East Hill Farm for a set down meal and entertainment.

We are still doing a breakfast the first Saturday of each month, which requires a lot of work, but is very rewarding.

Sincerely,
Isabel M. Venn
President

SOUTHWEST REGION PLANNING COMMISSION

20 Central Square, Second Floor, Keene, NH 03431 603-357-0557

The Planning Commission with a service area covering 36 municipalities in Cheshire, Hillsborough and Sullivan Counties, is one of New Hampshire's nine regional planning agencies established by the State Legislature and the Region's towns. We continue to provide planning-related assistance to member communities and to represent the Southwest Region in state and federal programs. Our diverse work program covers activities including local planning assistance, regional information systems & mapping, transportation planning, community & economic development and natural resources planning. We are funded through multiple sources including local membership dues. For each dollar in local dues, we've succeeded in leveraging six additional dollars to assist in meeting the needs of the Region and its municipal members. These resources provide the Commission the ability to assemble a professional staff which member municipalities have direct access to. Highlights of Commission activities for the past year include:

- assistance to the Troy Planning Board on a variety of matters,
- expanded community development activities through several successful grant applications under the State's CDBG program including the Troy Senior Housing project located at the Town Common,
- Completion of the NH Rt 101 Corridor Study: Keene to Milford,
- Continued involvement in several other transportation planning projects including improvements to the Connecticut River Bridges at Rts. 9 and 119, Rt 12 bypass of Troy Village, Keene-Swanzey bypass expansion, Rt. 202 widening north of Peterborough, and the first phase of a Rt. 202 Corridor Study from the NH-MA state line to Rt. 9 in Hillsborough,
- Sponsor of several workshops including tourism, telecommunications and resource protection,
- Assistance in updating Master Plans for several Southwest Region communities,
- Assistance in establishing the NH Land & Community Heritage Investment Program (LCHIP),

SOUTHWEST REGION PLANNING COMMISSION

20 Central Square, Second Floor, Keene NH 03431 603-357-0557

- completion of a local hazard mitigation planning pilot project, and
- continued progress in building a state-of-the-art information system for Southwest New Hampshire.

We continue to be available to assist you in your planning related activities – please don't hesitate to contact us if you have a project you would like to discuss. Thank you for your continued support of the Commission. We look forward to working with you over the coming year.

Sincerely,
Timothy P. Murphy
Executive Director

TROY AMBULANCE, INC.

Troy Ambulance has gone through many changes over this past year. We've seen some familiar faces leave, we've had several new members join. I would like to personally thank every member, past, and present, for their dedication and commitment to this service to the community.

We have put steps in motion to work towards providing a better service to you. One step has been to upgrade the level of care we can provide by the addition of new members, and by facilitating the training of more members to the EMT Basic and Intermediate level of care.

Although there were concerns on the need to bill for services, both from the community and from ourselves as well, we also realized the need to move forward towards the future. This has been a slow process, but as with all good things, the end results will be worth all the efforts.

The direction I feel we are heading in is very exciting. Along with updating much needed equipment we are combining our efforts to provide a more uniform service with other agencies to better serve the community.

We may have changed our name, but not our dedication and commitment. I thank you for that. I'm proud to be part of this effort.

Respectfully,
Kellie A. Ellis
President

TROY FIRE AND RESCUE EXPLORER POST

In October of 1999, the Troy Fire Department established an Explorer Post for the teenagers of the town. The Explorers are open to young adults, both male and female between the ages of 14 and 18, who are interested in fire fighting and helping the community.

This past year has been a growing and learning experience and we would not have been able to do it without the help of the town residents and local merchants. The Explorers would like to thank those that have helped make the Post a great success.

Jonathan Kirstein and patrons of the Village Barn who have generously donated their spare change into our coffee can.

The members of the Troy Village Barn men's softball team and all of the spectators who enjoyed hot-dogs, chips and sodas with the Explorers at all of the home games. Special thank you to Steve Lang who donated the hot-dogs and rolls.

The money that we were able to raise from the coffee can and softball games have helped us with our training activities.

A very special thanks goes to the advisors and members of the Troy Fire and Rescue Department who have shown us the basics of fire fighting, leadership and how to work as a team. It was a tough job, but someone had to do it.

I would like to thank the Explorers, who have given up their spare time to do the "little things" that come with being a part of a fire department. Without you, there would not be an Explorer Post.

To anyone that I have forgotten, I'm sorry. So once again thank you all.

Sincerely,
Melanie L. Ellis
Explorer Secretary

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and serveral Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occuring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing **ALL** outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to

permitting and fire safety concerns, please contact your local fire department **BEFORE** using portable fire places and vessels, including those contructed of clay, concrete or wire mesh.

Please contact your local fire department before doing **ANY** outside burning.

REMBEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

2000 FIRE STATISTICS

(All Fires Reported thru November 10, 2000)

WAR MEMORIAL RECREATION PROGRAM

After several years of being the Director of the Troy Summer Recreational Department, Bob Budd has stepped down due to his move from the Town of Troy. We would like to thank Bob for his many years of service to our community and children.

The following people are members of the Recreational Committee, Mark Drury, Ronda Fish, Cindy Satas, Arnie Scadova and Jeff Smith.

We had about 60 children registered in the Summer Recreational program with an average of 40 children per day. Despite the many obstacles they had to overcome this summer (bad water tests, rain and geese) the Recreational staff was able to work around it and keep things running smoothly.

A swan (plastic) was purchased in hopes of keeping the geese away and a parachute was added to the equipment inventory for the children's enjoyment. Both arrived after the program ended, but have been put in storage to be used this summer. New soccer nets were purchased for the Marlborough Road field.

We would like to continue to improve the facilities in the future, keeping the existing ball fields maintained and finishing the work started on the 2nd ball filed at Sand Dam.

We would like to thank all volunteers and staff and welcome any new members that would like to join us.

Ronda Fish
Recreational Chairman

TOWN OF TROY
MINUTES OF SPECIAL TOWN MEETING
July 13, 7000

This special Town Meeting was called to order by Moderator, Thomas Britton at 7:05pm at the Troy Elementary School for the purpose of discussion and voting on the following article.

> To see if the Town will vote to raise and appropriate the sum of Two Hundred Forty Four Thousand Six Hundred Dollars ($244,600.00) for the purpose of purchasing Sand Dam in the Town of Troy, Rockwood Dam in the Town of Fitzwilliam, and a warehouse and storage buildings at 26 Central Square, Troy, from Troy Mills Inc.

Upon presentation of this article to the voters a motion was made to pass over this article.

Before considering any motion the Moderator asked to allow the presenters of the article the opportunity to speak. Following some discussion the Moderator made a motion to allow the presenters to speak. This motion was defeated by a vote of 93 to 74.

The motion to pass over was brought to a vote at this time. The motion passed by ballot vote, 109 Yes 79 No

Meeting adjourned at 8:20pm

Ralph E. Heald
Town Clerk

TOWN OF TROY
MINUTES OF ANNUAL MEETING
March 14, 2000

The polls were opened at 10:00 am, Tuesday, March 14, 2000 by Moderator Thomas Britton, at the Troy Elementary School for the purpose of electing Town Officers and voting on Zoning Amendments. The election of School District Representatives and voting on the School District Warrant was conducted at the same time. The polls closed at 7:00 pm at which time the counting of ballots commenced.

The meeting reconvened Wednesday, March 15, 2000 at 7:30 pm at the Troy Elementary School with Moderator Thomas Britton presiding. The Pledge of Allegiance to the flag was led by Selectman Robert W. Harkins, Jr. The rules and procedures to be followed during the meeting were explained by the moderator.

ARTICLE 1. To bring in your vote for one Selectman for three years and other Town Officers elected by ballot as passed b y Town Meeting or State Statute for the specified number of years. Officers were elected as follows:

Selectman for Three Years	Lowell B. McCulley
Moderator for Two Years	Thomas E. Britton
Town Clerk/Tax Collector for Three Years	Ralph E. Heald
Trustee of Trust Funds for Three Years	Ervin F. Doyle
Trustee of Trust Funds for Two Years	Iver Olsen
Welfare Administrator for One Year	Cynthia N. Satas
Trustee of Library for Three Years	Bernadette M. Quinn
Supervisor of Check List for Six Years	Joan E. Obuchowski
Water/Sewer Commissioner for Five Years	Douglas A. Rouleau
Cemetery Commissioner for Three Years	Stephen E. Priest
Second Deputy Fire Chief for Three Years	Charles F. Rocheleau
Planning Board for Three Years	Robert M. Cummings
Planning Board for Three Years	Glenn T. Shattler
Budget Committee for Three Years	Robert M. Cummings

ARTICLE 2. Are you in favor of the adoption of **Amendment No. 1** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To amend Article XIV, Administration and Enforcement, Paragraph A, to allow the Selectmen to designate authority for enforcing the ordinance, as follows: "The Selectmen may appoint an agent to administer (accept and issue building permits and inspect) and enforce this ordinance."
PASSED YES 222 NO 159

Are you in favor of the adoption of **Amendment No. 2** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To amend Article XIV, Administration and Enforcement, Paragraph B, to require that 200 square foot accessory structures be subject to a building permit. (Currently they are exempt.) "It shall be unlawful to erect and use any structure without first obtaining a building permit."
ARTICLE FAILED YES 154 NO 233

Are you in favor of the adoption of **Amendment No. 3** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To amend Article XII, Non-Conforming Uses, Structures and Lots, Paragraph B, to allow the replacement or relocation of a non-conforming structure, provided the non-conformity is no greater than the original.
PASSED YES 273 NO 108

Are you in favor of the adoption of **Amendment No. 4** as proposed by the Planning Board for the Troy Zoning Ordinance, as follows:

To amend Article XII, Non-Conforming Uses, Structures and Lots, Paragraph C, to allow a non-conforming lot to be enlarged, even though the enlargement does not make the lot conforming.
PASSED YES 199 NO 178

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of Ninety-Five Thousand Dollars ($95,000) to purchase a new ambulance and to enter into a long-term lease/purchase agreement in the

amount of Seventy-Five Thousand Dollars ($75,000) payable over a term of sixty (60) months at a rate of Sixteen Thousand Seven Hundred Ninety-Seven Dollars ($16,797) annually and to raise and appropriate $16,797 for the first year's payment for this purpose from taxation; furthermore, to authorize the withdrawal of $20,000 from the Ambulance Capital Reserve Fund created for this purpose. The 1990 Ford ambulance will be sold and the proceeds will go into the general fund surplus for the purpose of replenishing the Ambulance Capital Reserve Fund. Recommended by the Selectmen and the Budget Committee. **(2/3 Ballot Vote Required)**

ARTICLE FAILED YES 85 NO 72

AMENDED TO INCREASE TROY EMERGENCY AMBULANCE SERVICE TO $23,000
PASSED AS AMENDED. TOTAL APPROPRIATED: $33,029

ARTICLE 30. "Shall we adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax?" Not Recommended by the Selectmen or the Budget Committee. (By Petition)
PASSED OVER

ARTICLE 31. To see if the voters of the Town of Troy will vote to discontinue that portion of Water Street beginning at the intersection of Route 12 and Water Street, westerly for 400 feet, to a point at the easterly side of the driveway of Kitrick and Karen Bradbury. To become effective upon passage of this article at Town Meeting. (By Petition)
ARTICLE FAILED

ARTICLE 32. Polling hours in the Town of Troy are now 8:00 AM to 7:00 PM. Shall we place a question on the State election ballot to change polling hours so that polls shall open at 10:00 AM and close at 7:00 o'clock in the evening, for all regular state elections beginning in the year 2001.
PASSED AS PRESENTED

ARTICLE 33. To see if the Town will vote to adopt the provisions of RSA 202A:4-d authorizing the Library Trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided however that no acceptance of personal property by the Library Trustees shall be deemed to bind the town or the Library Trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property. This authorization shall remain in effect until rescinded by a vote of town meeting.
PASSED AS PRESENTED

ARTICLE 34. To see if the Town will vote to authorize the Selectmen to enter into agreement with Southwest Region Planning Commission and other state agencies, when money becomes available for feasibility studies, grants, and agreements in the best interest of the Town.
PASSED AS PRESENTED

ARTICLE 35. To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend money from state, federal, or other government unit, or a private source, which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b, until rescinded by a vote of town meeting.
PASSED AS PRESENTED

ARTICLE 36. To see if the Town will vote to authorize the Selectmen to transfer tax lien and convey property acquired by the Town by Tax Collector's Deed by public auction, or advertised sealed bid, or in such a manner as determined by the Selectmen as justice may require, until rescinded by a vote of town meeting.
PASSED AS PRESENTED

ARTICLE 37. To see if the Town will vote to authorize the Selectmen to borrow money, and pay charges and interest thereon, until rescinded by a vote of town meeting.
PASSED AS PRESENTED

ARTICLE 38. To see if the Town will vote to authorize the Selectmen to hear reports of committees, agents, or officers heretofore chosen and take any action relative.
PASSED AS PRESENTED

Meeting adjourned at 11:55 PM
